

MALAX PNEUMATIC TOOLS PVT. LTD.

We Stand

“To Provide Quality & Economic Solutions to the Customer's Fastening requirements”

Malax Pneumatic Tools Pvt. Ltd. is involved in manufacturing of pneumatic tool accessories like impact sockets, impact extension sockets, impact extension bars, square drive adapters, hex adapters, stud tighteners, swivel sockets, swivel joints, universal joints, universal sockets, insert sockets, impact bit sockets/nut runners, quick change adapters etc.

We also undertake manufacturing of special pneumatic tool accessories as per customer drawings/specifications.

Malax pneumatic tool accessories are made from tested alloy steel, hardened & tempered to withstand the constant shocks transmitted from power drive tools (pneumatic/electric). Malax pneumatic tool accessories are supplied in industrial black finish. These accessories can also be used with torque wrenches and manual drivers.

The manufacturing plant is located in Noida (India), a distance of 25 kms from New Delhi. The plant has all the necessary infrastructure, machinery & skilled manpower for manufacturing quality products.
